*Dear Dr Burch and Staff,*

I just wanted to send you all a note to express my heartfelt gratitude for the exceptional way you have taken care of me since I walked into your office three months ago.

Alex and I are very grateful and we just wanted to let you know that we appreciate your kindness, warmth, promptness and efficiency.

Dr Burch, a special thank you goes out to you for your thoroughness as a physician. **You always have time to answer questions and explain**

**what will happen and what options we have. We both feel very at ease and at peace with the care we have received from you.**

After more than 5 different practitioners God brought you into our lives at a time when we needed your care the most and we feel truly blessed. May God Bless you mightily as you continue to use your gift to make a difference in the lives of your patients.

Sincerely,

*Catherine and Alex*
