

*"It was an amazing chance that I found Dr. Burch. My former OBGYN no longer accepted my insurance, so I had to begin a search for a new doctor once I became pregnant a second time. What luck that Dr. Burch popped up at the top of my search - he was absolutely amazing!!*

*It was a pleasure to go to Dr. visits during this pregnancy. Dr Burch and his staff were always friendly, accommodating and took time to answer any and all questions that I had relating to my health and scheduled delivery. I never felt rushed and was very impressed with Dr. Burch's knowledge and bed side manner. Every time I made an inquiry, he was able to provide me with a detailed response. He offered me any additional tests / screening that I wanted to help ease my mind as issues arose. In fact, he gave me my own private room for over 3 hours when I needed to do an extended glucose screening.*

*I highly recommend Dr. Burch to anyone who is expecting. You will be greeted warmly and with a smile! You and your baby will receive top quality medical care."*
